Subject: Microsoft Settlement

I would just like to say that I have read about the proposed settlement, and I am not in favor of it in its current state. Please consider this a vote against the current settlement, as well as a vote to seek a settlement that is more favorable to Microsoft's competitors, yet unfavorable to Microsoft.

Thank you,

Thomas M. Albright

Amendment IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.
